John Piesala received a price from another company and it was \$2,000. Debra Youngblood made the motion to purchase, Amy Yuhas seconded. All in favor.

*Amy still has supplies for Spring Cleanup she just has to give them a date. Council decided on Saturday, April 15th.

Old Business: *Courtdale did not receive any funding for the Multimodal Grant.

- *Parking lot curbing work started. The cost is \$75,516.00.
- *Len reviewed the Solicitation Ordinance; a permit is needed and they must notify the date/time which cannot be between 5:00 p.m. – 7:00 a.m. Len will revise and update for the next meeting.

New Business:

- *Matt Libby from Giant Floor quoted \$600.00 for labor to install the floor and \$900 for material. Amy Yuhas made a motion to hire Matt, Debra Youngblood seconded. All in favor.
- *Prisoner's started painting on Monday.
- *1 load of salt will be delivered to fill the shed. Jill said, "if we are under our quota they will let us know."
- *Scott received 8 bids for the street paving project. The lowest bidder came in at \$665,000, the total for all funding for both grants is \$647,500 which is short approximately \$18,000. Carl recommended to council that we use Liquid Fuels funds to pay the difference so that all roads can be paved. The work must be completed by October 31, 2023. Jeff Ford made a motion to Authorizing the Intent to Award, Debra Youngblood seconded. A roll call vote was taken, all in favor. Amy Yuhas made a motion at accept the bid of Donnie Bowers contingent upon the approval of Community Development authorizing additional roads to be paved. Jeff Ford seconded. A roll call vote was taken, all in favor.
- *The Water Co. cut Short Street, however they did not pave the street after the cut. Carl believes the Water co. can pay for a portion of the work since we will be fully paving, or we can take Short off our list and allow the Water Co. to fully repair with a 2-inch mill and pave. The only issue Scott can see is that Community Development may want surveys again if the street hasn't been deemed low income. Scott will reach out to Mark at Community Development to see if Center, Academy and Hillside will have to be surveyed.
- *All Doors Sales replaced all 3 garage doors but one of the springs need to be adjusted due to the doors being heavier . Jill will call.

Amy Yuhas made a motion to adjourn, Debra Youngblood seconded. All in favor.
Meeting adjourned at 7:58.
